24/7 Services

To help make your move as convenient as possible, Avalon Moving Systems offers 24-hour service, 7 days a week at no additional cost to you. Our full time employees are seasoned professionals who know how to move a family, a small business, or a large corporation. From delicate china to sensitive computers and hi-tech equipment, all of your possessions will be handled with care.

Quality Equipment

Avalon Moving Systems's equipment is state of the arts equipment, meticulously maintained and operated by highly skilled professionals. Our modern, fully equipped trucks are specifically designed to help reduce the chance of goods being damaged in transit. So when you move, make sure your possessions are in a white Avalon's truck.

"An absolutely stellar experience! Hard working, efficient, safe, flexible, attentive, definitely customer focused. Definitely will use Avalon again!"

- James Shine

Estimate and Pricing

We work closely with our clients in all phases of the move, beginning with the estimate. One of our experienced Moving Consultants will make a through assessment of your individual moving needs and provide you with a comprehensive and accurate cost estimate.

"Everything was great! You guys are great, we will use you again and recommend you to everyone we can. You made it a great event. So professional. Thanks so much!"

- Bill Carol

We offer competitive prices for any size of a move. We invite you to compare our prices and services with other moving companies. We're sure you'll agree, only Avalon offers quality services at such cost savings.

All our estimates are meeting the AMSA, DOT and the 400-N Tariff requirements and code of ethics.

"MSN recently utilized the services of Avalon Moving Systems services to move our business office from Mesa to Scottsdale. We were very pleased with the work and the service they provided and would recommend them".

- Julie A. Spoerner at MSN, INC.
